Dear Chairman Kelso,

On behalf of the citizens of Crisfield, as Mayor and City Council, we request that the Maryland Stadium Authority approve and expedite an MSA Economic Impact Study of the Crisfield Revitalization Project, including the Conference Center, Hotel, Parking Garage, Working Waterfront, Restaurants and Waterman's Park. With funds from private citizens and Crisfield businesses, the Crisfield Revitalization Committee can provide up to 50% of funding for the study, not to exceed \$12,500.

Please contact Peck Miller at 443-880-2341 with any questions.

Sincerely,

\_\_\_\_\_
