

SAVVY ACADEMIC?

RENOWN SCIENTIST?

WHY NOT BOTH?

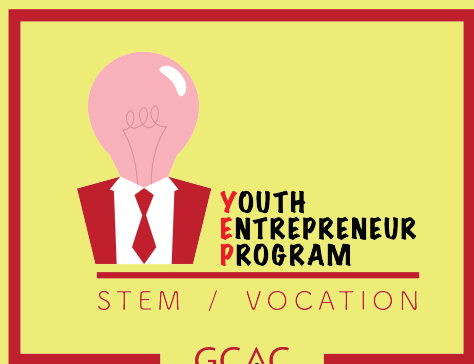

YEP

YOUTH ENTREPRENEUR PROGRAM

HANDS ON LEARNING WITH INDUSTRY PROS

Engage in real world activities based around agricultural science, hydroponics, life science, and vocational disciplines that go beyond what you'll find in the standard classroom. Our goal is to bring on high school youth interested in STEM and give them a head start through intermediate lessons hand crafted for critical thinkers.

WIN BIG WITH A CASH PRIZE CHALLENGE EVENT

At the end of the program participants will compete in a team challenge event, allowing students to immediately utilize their newfound skills and win a cash-prize of up to \$2,000 (\$500 per student).

CONTACT AND SIGN-UPS

Sign-Ups will close once the enrollment has reached up to 16 students. To access our enrollment application and eligibility guidelines, visit GreaterCrisfieldMD.org/YEP-Program

Please direct all questions and YEP application submissions to GreaterCrisfieldYEP@gmail.com
